Celebrate MG80!

BCD Results and Photos!

From the President

Ryan Looft

We had another great showing at BCD that took place on August 7th at the Eastwood MetroPark. There were over 300 cars that made it again this year, and the weather could not have been better. A big thanks goes out to everyone that helped make this event successful. Those that attend our show always rave about how it is such a great show with the park setting, and great food at low cost. Again, thank you for your help. Mark your calendar for August 6th, 2011 for BCD next year.

On August 22nd at 4:00pm, the club will be having the annual picnic hosted by Dick and Kathy Goodman. This is always a great time where everyone is able to visit and relax. Just bring a covered dish or a desert. The club will provide the burgers, hot dogs, and soft drinks. Watch for the email reminder with directions.

Mel & Itsy Finch’s ‘69’ MGB

Mel & Itsy Finch
(MGCCSWOC Members from Kansas City, MO)

We purchased our car, a 1969 MGB in 1987. Having had no experience with MG’s, we found an ad for an MG and bought it. Then reason settled in. It was a Flintstone car. All we wanted was something to run around in. It was in no shape to go anywhere. So it sat in the garage for several years. Finally Enora (Itsy) said that if I didn’t do something with it she was going to sell it.

The rebuild started in 1993 and took several years to finish. In that period of time I believe I taped every thread in it and in most cases put in new bolts, says Mel. In the process I stripped and re-varnished the steering wheel and door wood trim. I took the carburetors to Tulsa Oklahoma to have them adjusted and have had no problems with them since. Finally I decided to try to start it. It started

and in a few seconds stopped. The oil pump was frozen and the pump shaft broke. I should have known better. Earlier I had noticed the oil filter lying loose in the canister.

After purchasing a good engine in Knoxville Tennessee and installing it in the car, we licensed the car with plate number “EBL-POD” and finally took our first trip in the MG traveling to Mount Rushmore. Think about that license plate; we’ll decode it for you at the end of this article. We had planned to go on to Devil’s Tower, but the weather turned on us and we headed home to get out of the snow.

We rebuilt the original engine in 1997 and put it back in the MG. That engine now has 35,500 miles on it and still going strong. Sometime along the way the MG got an OD transmission and cruise control. Both of which we consider to be a must for driving on long trips.

We made our first trip to Dayton Ohio for the British Car Day and to visit Joe Hooker, a college friend, in 1997. Since then we have missed only one Dayton BCD. (*Note: Mel and Itsy attended BCD 2010 in Dayton, but without their MG*)

Later trips in the MG, most of which were taken with our friends Rick and Monica Mills driving their MGB GT were to Mount Rushmore, again and this time on to Devils Tower. Then we toured through South Dakota on the way home.

Enroute to Wilmington NC, to see Mel’s brother, we took the route through Tennessee and Kentucky; taking in the attractions along the way including the Vanderbilt Mansion. Touring in the MG looking for lighthouses took us through Minnesota, Michigan, and Wisconsin. This took us close to Canada so we crossed the border and spent the night in Sault Ste Marie, Ontario; just to be able to say we had been in Canada.

Enroute to Durango CO to ride the Durango Silverton railway we entered an MG car show in Denver Colorado and then drove across the Royal Gorge Bridge. We drove the MG to Rockville Indiana in October of 1999 to participate in the fall tour of this club, touring the covered bridges of Park County.

We have also entered local car shows, mostly British, in the Kansas City area every year.

Here are some of the many places we have traveled to in our MG: South Dakota: Keystone, Deadwood, Mitchell; Beavercreek Ohio (British Car Day Dayton Ohio—beginning in 1997); Springfield Missouri; Indianola Iowa; Chattanooga Tennessee; Minneapolis Minnesota; Wisconsin; Sault Ste Marie, Ontario, Canada; Colorado: Loveland, Durango; Wilmington North Carolina; Indiana: Auburn, and Rockville.

Announcing MG80

A Worldwide Celebration of the Founding of the MG Car Club

The MG Car Club will be staging the largest MG event ever to celebrate our 80th birthday. The date will be the weekend of the 16th-17th October 2010. The plan is for the celebratory event to start in New Zealand early in the morning and travel westwards around the globe, passing through Kimber House, Abingdon, UK at noon and finishing in Alaska late that evening.

The MG Car Club is inviting all overseas MG clubs to join it in this exciting worldwide event. We would like each club to stage a local event of their choosing which is both organized and funded by them, and which involves as many members as possible. We want the clubs to capture the spirit of their event on photo or video, which will be then upload to the Internet and displayed on a time line showing the progress of the events throughout the day.

This has the potential to be an innovative celebration of our 80 years, and we think that the participation of clubs throughout the world will foster a closer relationship within the extended MG family. The PR that could be generated for all the clubs and MG as a whole could be enormous. Our intention will be to generate local, national and international interest.

Clubs and volunteers have already come forward from Europe, Australia and New Zealand as well as the UK.

This will be an event of truly worldwide proportions so help us celebrate and take part in this innovative event.

MG Car Club Founding Member Attends BCD

Carole Looft

Joining us on Saturday afternoon, August 7, at Eastwood Metro Park was one of the founding members of The MG Car Club of Southwest Ohio Centre. Dixon Swietzer and his wife introduced themselves when they came to the concession stand for some refreshments. I chatted with them briefly, and quizzed him about the early days of the club. He thought in those early days, there were only about fifteen club members. I asked about his MG - an MGB, which he no longer owns. We took this memorable picture of our current President, Ryan Looft, and, along with Mr. Swietzer, Dick Smith who is also one of our founding members. It was a pleasure talking with Mr. Swietzer.

Was This Your MGB?

The current owner is looking for information on a 1980 MGB that was registered with our club. VIN is GVVDJ2AG509062. The car was totaled and sold by State Farm in Indianapolis. The owner purchased the car and just started to restore. He would like to speak with the original owner to gather information and share photos as he rebuilds. Any help would be great. Please contact Daniel L Albaugh, 800-231-6024 ext 7246, or dalbaugh@baldwinandlyons.com.

For Sale: 1972 MGB. Has been in the garage for the last 5 years. Would like to sell it to someone who would appreciate it as much as we did. Good condition. The top is good and it ran the last time that we started it (which has been a while). Linda & Steve Knapp (740) 626-7334 or (740) 649-2017. (6/10)

For Sale: 76 MGB. Purchased new by owner's father. Only driven on nice days. This car is a true original survivor. It has only 15,008 miles on it and it still has original paint. No body work,

ever. Color is "sandglow" (beige/gold combination). You can see the color at <http://www.teglerizer.com/mgcolors/>. The car is near perfect inside and out. No overdrive but the brakes recently were redone (new master cylinder, etc.). Closest thing to buying a new MGB that you'll find. Asking \$11,000 with very little room for negotiation. Contact SReinh3115@cs.com. (6/10)

For Sale: 1972 MGB GT. It has been sitting my garage since 1996 or 1997. (Never got around to restoration.) Was running up until then. Engine turns over. It has wire wheels and is blue. The windshield has a crack in it. Some rust. Located in Springfield OH. Glenn Wilson, 937-322-6107, or gmwilson@erinet.com. (6/10)

For Sale: 1969 MGCGT. I am the 4th owner from the club and you can be the 5th. Car is 4 speed with OD, Red, (paint is a little tired). Mechanical brakes, troublesome boosters removed by Steve at MG Automotive some time ago. Runs very nicely, lots of power, doesn't leak much. Newer 72 spoke wires and tires (3 yrs I think). Many of you have known the car longer than me (2 yrs). Would love to trade for a B/C roadster of equal value (+/-), OD highly desired. NADA around \$9K for non-club Members, \$8,500 to club members but prefer to trade. Mike Rowles 937-669-2496 (6/10)

For Sale: 1951 TD & TF. The cars are not running. Erie, PA. Lew Penna: 814-449-2934 & 814-833-9956.(6/10)

For Sale : 1954 MGTF 1250 in very good condition. Driven regularly except for the last year. Colors are black with red upholstery, which match the original car factory registration. MG Car Club Minutes, July 28th Meeting

Sam Hodges

In a strange twist of fate, I, your club Secretary, was NOT at this month's meeting. While I was off in Oshkosh, WI learning how to swim in Whitman Regional Airport's campground, my lovely wife, Diana, who technically has been Secretary on at least three separate occasions, was actually at her first meeting where she took notes. - *Sam*

The following is her recollection of the events that happened that evening (*obviously I edited and ghost wrote some, but most of it's her, so don't blame me!!*).

Diana - There were many questions as to who I am and whether or not I am authorized to take the minutes. Unable to come up with the right answers, I was therefore banished to the front table. Treasurer Bonnie Hankey gave me the Treasurer's report and then muttered something about some vacation fund...

Ryan staggered in... Kathy Goodman, "Let's go!" Ryan "Time?" Dick Goodman then informed us that we're 5 minutes late.

The President's Report. Ryan reported that he went to the MGB meet in Canada. It rained during the show and they stayed in Niagara Falls one night. Bill Hammond mentioned something about "loonies & toonies"... (*I was warned not to pay too much attention to Bill*) Fortunately, Bill Hammond was detained at the Canadian border. Unfortunately, they eventually let him go. Some of the observations from the trip: High taxes, High gasoline, High beer prices. \$.90 / liter, Exchange rate even

Vice President Dave Gribler is at the MGA meet in Wisconsin promoting the 2012 Dayton MGA GT. He wanted to thank those who participated in the photo shoot and wanted all of us to think of activities for the 2012GT. He also wanted to apologize for beer break being too short at last meeting.

Minutes were next. Skip motioned to approve the minutes as reported. Someone else seconded. Minutes approved. (*Couldn't have done better myself - Sam*)

Treasurer's Report was next. Bonnie Hankey reported that there have only been two transactions since last month. We had Total Income to the MGCC consisting of: Squat, nil, nada. We therefore had a **Total Income of \$0.00**. Total Expenses: Hall Rental Fees (\$45.00) + Gumball Rallye (\$5.00) + Octagon News Fees (\$100.50) = **A Total Expense of \$150.50**. **Total Loss to the MGCC was \$150.50**, that when subtracted from/to our existing Treasury balance of \$2,370.45 equals a new **Treasury Balance of \$2219.95** in the primary checking account and \$378.56 in the savings account. Ryan has some Canadian money to add to Treasury which will result in a further loss to the bottom line. (Sam - *without realizing*)

The Octagon News – August 2010

that we've got like 5 Dave's and several Dick's [insert your own joke here]. The sorely lacking notes just said that Dave motioned and Dick seconded. We're therefore going to assume that...) Dave McCann motioned to accept and Dick Goodman seconded. Treasurer's Report approved.

Membership was next. Ryan reported that Mom Looft reported that we currently have 98 members. Our newest members are Greg & Peggy Isaacs owners of a '79 Midget. Appropriately enough, they were sitting on the sitting on the Midget side of the room. We don't discriminate, we just make the Midget owners keep to themselves (*okay, that's me – Sam talking...*) Adrienne & Tom Lange are new members who signed up today. Bill Hunter is also attending his first meeting tonight. For Richard Shields, this is his second meeting! So now, somehow we're up to 99 members.

Activities with Eddie were next.

- BCD (*which you've already missed*)
- MGCC Picnic on 8/22 at the Goodman's. Same old, same old, same as always. 4pm – No kids, bring a lawn chair, covered dish, drive your MG. Show up early and you'll be cleaning bathrooms. Ron will send an email with map, electronic newsletter should arrive before picnic. Joe is bringing a grill. We also discussed supplies for the 'supply' trailer and the thirsty crew that we are.
- There's a Cruise-in on 9/5 in Urbana for Dayton Children's' Hospital from 1-5 pm
- Concours d'Elegance is on 9/19.
- The Fall drive – the same one Glen had planned for the Spring tour - is TBD
- The Indianapolis British car show is the last Sunday in August 8/29.

Sunshine Committee. Everyone is happy & healthy.

Newsletter Editor Steve Markman. Steve, "Thanks to Carole for the article. Thanks to Bill & ? (*ok, so Sam's hunt and peck typing somehow is faster and keeps up with all of this stuff*) for their articles.

Webmaster Ron (*She doesn't know about the Webweenie joke. I'll have to inform her – Sam*) Apparently, Ron has gone fishing in Canada on the Northern Pike Run so there's nothing to report.

running around. *(HEY! We're married for a reason! - Sam)* Joe's friends from KC, MO will be there! *(She typed all this up, so I just left it – even thought the event's LONG since over...)*

British Museum. Dick Smith. “We’re still looking for property but it’s all over priced. Mini-Meet was well received, we had perfect weather!” The Museum’s starting another raffle. This time it’s a new Mini Cooper S. “We’re selling 1,000 tickets @\$100.00/each. The building fund has \$35,000 and hopefully growing.”

BEER BREAK - Secretary failed to note... 8:05 sounds good. *(for having been secretary at least three times, I should know about this...)* 8:33 meeting called to order *(JEEZ that's a long Beer Brake!!! I guess they had to make up for Dave's short one... -Sam)* *(actually, I failed to note the time we restarted...)*

Old Business. There is no old business – Louie isn’t here! Dave McCann, “Dick’s here.” Skip, “Hammond’s here too.”

New Business. There’s no new business, there’s no business like show business.

Tech Tips. Dave McCann Sr., “If you get the right size – the right size is good. If you have the right wrench you can really use it for good leverage. Size does matter.”

Dick Goodman, “Watch out for tire blisters. They can cause a blow out, Kathy had a tread separation on 5 yr old tires.” Apparently we do have some old business. Joe Hooker’s TD has 25 year old tires. He’s looking for tube tires. Steve at the Grismer Tire by BHA has tubes per Dick Goodman’s recommendation.

For Sale: Two free tires to anyone who wants them - see Al Freeze. Terry Happensack has a free MG hood to those with tools.

Gumball Rallye: Fritz Heberling won \$5

Kathy Goodman motions to adjourn, Dave McCann seconds. Meeting’s over! You don’t have to go home, but you can’t stay here!
