## Breakfast with Your Valentine

By Bert Rauch

The weather gods were smiling on FSMGCC on Valentine’s Day for our celebrations. Although it was brisk in Madeira Beach at the Snack Shack on the Gulf Front, we had bright sun, no wind and patio heaters. Twenty of us enjoyed a lovely breakfast overlooking the sparkling Gulf of Mexico. No one

complained about the weather, the food or the company.

After breakfast, we drove a short hop up Gulf Boulevard to Smuggler’s Cove where some others joined us for 18 holes of miniature golf on a very nice, well-groomed compact golf course with a Gulf view and live alligator “spectators.” Everyone had a ball hitting the balls into those little cups. Never mind what our scores were!

Former Club President, Chuck Helt is at home under Hospice Care due to esophageal cancer.

Newsletter – Dennis Magee – articles due by: January 20th

Old Business:

NEHS MGB Project – Glenn Lenhard reported that Don Muhleman from Northeast High School has been by the shop and purchased parts. He also stated that students, Hunter (the summer intern at Glenn's MG Repair) and Chris (the student working part time at the shop) are going gangbusters on the MG project.

New Business:

Christmas Party 2015: Member Gino Louie sent Bruce a suggestion to host the Holiday Party at the Treasure Island Community Center and offer live entertainment. The cost to rent the venue would be \$200. Members thought that this might be worth looking into. We will talk further with Gino.

Announcements:

- Jeff Zorn invited Club members to attend the Early Bird Dinner Theater's production of Hot Bed Hotel on March 15.
- Jan Zorn invited members to join others at Sunken Gardens on May 2nd followed by lunch at the Three Birds Tavern.
- Glenn Lenhard said that he had three speakers interested in speaking at the meetings and asked members to contact him if they would like to make a presentation to the Club.
- Bruce Rauch reported that Beth & Dick Lunney, publishers of the Classic MG Magazine will be writing an article on our MG Jamboree 19 and the Sebring Coupe that was at the Jamboree. It should be in Issue #61, February 2015 issue. This is great publicity for our Club.

Trivia Question: There were 51 different body paint colors for the MGB. Gail Lenhard guessed the right answer.

The meeting adjourned at 10:00 am for Round Table.

Gail Lenhard, Secretary

ROUND TABLE, led by Glenn Lenhard:

Bob Lindstrom invited Barney Gaylord, the MG Guru, to stay at his home a few days over the holidays. He reported that Barney's son took a loooong shower!

Jan Zorn is the premier planner for trips – and said that in 2016 they will be embarking on a Baltic cruise with a side trip to London.

Jeff Zorn enjoys tagging along on the trips his wife sets up. He invited members to join them on March 15th at the Early Bird Dinner Theater.

Jeff Brown said that he enjoys racing at Watkins Glen and participates in the Vintage Festival downtown. His wife, Cindy, retired January 30 & will join him in Clearwater soon.

Walter & Stella Bumby have done lots of traveling of late – cruising for one. He said that when storing a car, he uses a sound generator to keep the mice away.

Mike Silvernail has another project car - a Toyota MR2 Turbo.

Bert Rauch said that in June she and Bruce will be driving Mr. Blue to NAMGBR's MG 2015 in Niagara Falls, ON and then on to NAMGAR GT 40 in Frankenmuth, Michigan. They'll then head for Wisconsin to visit family.

Dave Wilgus met an Englishman who said that when he was a lad, a buzz bomb landed in his front yard. The Englishman then moved to South Africa and toured the country in a 1950 MG TD.

John & Margaret Lester will also be attending the NAMGBR event in June and said that in eight years he has put 8,000 miles on his car. He and Margaret were also glorified caretakers at a State Park out West in exchange for a free campsite.

They will be traveling to England in 2016 for six months.

Dennis Magee said that he will start putting MG racing events in the Club's newsletter.

Gail Lenhard will be attending a Week of Writing Retreat at a state park near Helen, Georgia this summer. Glenn and the two granddaughters, Laci & Lili, will go along for the ride.

Glenn Lenhard purchased a 1955 Jensen 541 for his 60th birthday and is having a wonderful time dismantling it to restore. Jensen only made 260 of them, so opening up a catalog to order replacement parts, isn't something he will be able to do. The prototype of this car is at the Tampa Bay Auto Museum.

Paul Giordano suggested that the Club visit the Ringling Museum in Sarasota as there is so much to see. He said that a person really needs more than one day to see it all. He also stated that his granddaughter has made an important life changing discovery – boys!

Bill Mason said that he and Marion have tagged along on some of Jan's trips and they thoroughly enjoy them. He has four MGs and may be willing to sell a couple of them.

Suzy Maxon states that she just jumps in her 1954 MG TF and drives and drives and drives.

Warren Maxon climbs into his 1960 Austin Healey 3000 and drives and drives and drives.

Holly Bird recently had some work done on her 1974 MGB, which she dubbed "Bentley MGB" because it's so quiet now. She will be participating in the Gulfport "2Cool Art Show" on February 7 & 8 at the Gulfport Casino from 10 a.m. to 5 p.m.

### History

In August of 1980, a few friends got together and decided to form a club for MG owners. Later that year, they incorporated as the Florida Suncoast MG Car Club, Inc. Finally, after a lot of work, the club was ready to be listed with the International MG Car Club, Ltd. as the second official center in the state of Florida.

Today we are the most active MG car club in the Tampa Bay area. Our members include owners of MGs for everyday transportation, show car collectors, professional mechanics, and auto enthusiasts interested in preserving classic cars as a part of our social and industrial heritage.

### Membership

New members are the life-blood of the organization, bringing with them fresh ideas and enthusiasm. Club membership is open to all individuals interested in the MG motorcar, whether they own a car or not. Membership entitles the entire family to participate in the activities of the Club.

### Purpose

The main purpose of the Club is to promote knowledge, understanding, maintenance and preservation of the MG while enjoying the thrill of driving a true sports car and the fun of lighthearted social activities with members who share a common interest.

### Meeting and Activities

The Club's activities include: car shows, parades, rallies, car clinics, tours, picnics, camp-outs, parties and interclub functions. Club members are invited to participate in as many as they choose - the more the merrier! The Club has a Monthly Meeting every month. Check the club's website and The Informer for meeting locations and times. Saturday's meetings start at 8:30 am. There is no meeting in December

### Morris Garages Informer

All members receive our monthly newsletter, the Morris Garages Informer. It includes reports of events, an activities calendar, classified ads from members, updates of the last meeting, technical tips pertinent to the MG, and current information relating to the collector car hobby. A Classified Ads Section is open to all Members free of charge. Members may personally advertise MG cars and parts they wish to buy, sell or trade. Ads for members are limited to 1/8 page with one photo.
