

**Join us for NAMGAR GT-52
at the beautiful French Lick Springs Hotel.**

Experience the hotel's historic grounds
nestled within the beautiful
rolling countryside of southern Indiana.

Plans are already underway for a great week
of tours and runs – visit the underground
stalactites of Marengo Cave, ride the rails to
a delicious BBQ, see Gus Grissom's actual
Liberty Bell 7 capsule ... along with your
favorite GT activities like the big car show,
tech sessions with the pros, vendors,
auctions, art shows and more.

All MG types are welcome!

**From Autos to Astronauts,
Camaraderie to Caves,
Tech Sessions to Train Rides,
The GT-52 offers something for everyone!**
